

Welcome to Grade 2 @ Off Campus!!!

Our materials are divided into two units of work - Mathematics and Thematic. The Thematic units integrate Alberta Education outcomes from Language Arts, Science, Social Studies, Health, Phys. Ed and the Fine Arts.

Mathematics	Thematic Units
Module 1	My World
Module 2	I Love A Good Story
Module 3	My Canada
Module 4	Taking Care of Me
Module 5	Our Most Important Liquid
Module 6	Beyond Canada
Module 7	Participate and Be Active
Module 8	Creep, Crawl, Flit or Fly
Module 9	The Wonders of Nature

Your child will complete two green assignment booklets for each module. These will be handed in to the teacher for evaluation.

Please encourage your child to work independently when appropriate. Most of my evaluation will be in the form of anecdotal comments as these will be the most beneficial in addressing your child's individual learning strengths and challenges.

I also use the following checklist to help students learn criteria for quality work:

Give Me 5

1.	Complete - No activities have been missed	
2.	Neat - Writing is neat and a ruler is used for drawing lines	
3.	Timely - Work has been completed on or close to due date	
4.	Independent - There is ample evidence that the student has completed most of the work independently	
5.	Correct - Most of the questions have been correctly answered	

Supplemental Material List - Gr. 2

(All materials will be supplied by Off Campus and must be returned at the end of the school year.)

Feel the Power	
Just Watch Me!	
Let the Feast Begin	
Tales Near and Far	
All Join In
